(c) When a vehicle removed from either public or private property is authorized by order of the police department of this municipality, the owner of the vehicle will be responsible for all towing costs.

Sec. 7.505 Police Department to Keep Record: When a motor vehicle or other vehicle is authorized to be towed away, the police department shall keep and maintain a record of the vehicle towed, listing the color, year of manufacture, manufacturer's trade name, manufacturer's series name, body style, vehicle identification number and license plate year and number displayed on the vehicle. The record shall also include the date and hour of tow, location towed from, location towed to, reason for towing and the name of the officer authorizing the tow.

Sec. 7.506 Obtaining Registration Information: When the municipal police department does not know the identity of the registered owner or other legally entitled person, they will cause the motor vehicle registration records of the State of Illinois to be searched by a directed communication to the Secretary of State for the purpose of obtaining the required ownership information. When the Illinois State Police files are searched with negative results, the information contained in the

National Crime Information Center (NCIC) files will be searched by the Illinois State Police. The information determined from these record searches will be used by the police department in sending a notification by certified mail to the owner or legally entitled person advising where the vehicle is held, requesting a disposition be made and setting forth public sale information.

Sec. 7.507 Notification of State Police: When the registered owner or other person legally entitled to the possession of a motor vehicle or other vehicle cannot be identified from the registration files of this State or from the registration files of a foreign state, if applicable, the police department shall notify the Illinois State Police for the purpose of identifying the vehicle's owner or other person legally entitled to the possession of the vehicle. The information obtained by the Illinois State Police will be immediately forwarded to the law enforcement agency having custody of the vehicle for notification of owner.

No vehicle shall be released to the owner or other person under this section until all towing and storage charges have been paid.

Sec. 7.509 Public Sale Notice: Whenever an abandoned, lost, stolen or unclaimed motor vehicle or other vehicle, seven years of age or newer, remains unclaimed by the registered owner or other person legally entitled to its possession for a period of thirty days after notice has been given as provided herein, the police department having possession of the vehicle shall cause it to be sold at public sale to the highest bidder. Notice of the time and place of the sale shall be posted in a conspicuous place for at least ten days prior to the sale on the premises where the vehicle has been impounded. At least ten days prior to the sale, the police department shall cause a notice of the time and place of the sale to be sent by certified mail to the registered owner or other person known by the police department or towing service to be legally entitled to the possession of the vehicle. Such notice shall contain a complete description of the vehicle to be sold and what steps must be taken by any legally entitled person to reclaim the vehicle. In those instances where the certified notification specified herein has been returned by the postal authorities to the police department due to the addressee having moved, or being unknown at the address obtained from the registration records of this State, the sending of a second certified notice will not be required.

Sec. 7.510 Disposal: When the identity of the registered owner or other person legally entitled to the possession of an abandoned, lost or unclaimed vehicle of seven years of age or newer cannot be determined by any means provided for in this Ordinance, the vehicle may be sold as provided herein or disposed of in the manner authorized by the Ordinance without notice to the registered owner or other person legally entitled to the possession of the vehicle. When an abandoned vehicle of more than seven years of age is impounded as specified by this Ordinance, it will be kept in custody for a minimum of ten days for the purpose of determining ownership, the contacting of the registered owner by the U.S. Mail, public service or in person for a determination of disposition; and, an examination of the Illinois State Police stolen motor vehicle files for theft and wanted information. At the expiration of the ten-day period, without the benefit of disposition information being received from the registered owner, the police department will authorize the disposal of the vehicle as junk only.

Sec. 7.511 Report by Police Department: When a motor vehicle or other vehicle in the custody of the police department is reclaimed by the registered owner or other legally entitled person, or when the vehicle is sold at public sale or otherwise disposed of as provided in this Ordinance, a report of the

transaction will be maintained by the police department for a period of one year from the date of the sale or disposal.

Sec. 7.512 Proceeds of Sale: When a vehicle located within the corporate limits of this municipality is authorized to be towed away by the police department and disposed of as set forth in this Ordinance, the proceeds of the public sale or disposition after the deduction of towing, storage and processing charges shall be deposited in the municipal treasury.

Sec. 7.513 Immunity from damages: Any police officer, towing service owner, operator or employee shall not be held to answer or be liable for damages in any action brought by the registered owner, former registered owner, or his legal representative, or any other person legally entitled to the possession of a motor vehicle or other vehicle when the vehicle was processed and sold or disposed of as provided by this Ordinance.

Sec. 7.514 Penalty: Any person violating any provision of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined not less than seventy five dollars (\$75) nor more than five hundred dollars (\$500.00). fifteen (15) days following the giving of notice as provided in Section 7.805 of this Article.

Sec. 7.805 Duty to Repair or Demolish: Within fifteen (15) days after being given notice that any building is deemed to be a dangerous and unsafe building, an uncompleted building, an abandoned building or an unfit building, the owner thereof shall immediately proceed to do one of the following: (a) to repair or to cause to repair, and where appropriate to rebuild and construct or cause to rebuild and construct, such building so that such building is not a dangerous and unsafe building, an uncompleted and abandoned building or an unfit building, (b) to demolish or cause to demolish such building, (c) to enclose or cause to enclose such building, (d) to remove or cause to remove, garbage, debris or other hazardous, noxious or unhealthy substances or materials from such building. Such repair, enclosure, rebuilding and construction, and removal of garbage, debris and other hazardous, noxious or unhealthy substances, or such demolition shall be completed within ninety (90) days after the giving of the aforesaid notice. However, upon written application made prior to the expiration of such 90-day period to the Village Council, such 90-day period may be extended by such Village Council upon satisfactory proof that the owner has proceeded with and is proceeding with due diligence toward such completion. The date of giving such notice shall be the date of mailing, if mailed, or the date of delivery, if not mailed. If, upon diligent search, the identity or whereabouts of the owner or owners of any such building is not ascertainable, notice mailed to either an occupant of such premises or to the person or persons in whose name such real estate was last assessed is sufficient notice under this Section.

Sec. 7.806 Notice where Court Order for Repair or Demolition Sought: In the event that a court order for repair or demolition is to be sought under 65 ILCS 5/11-31-1 if such building is not put in a safe condition, demolished, enclosed, or all garbage, debris, or other hazardous, noxious, or unhealthy substances or materials removed after the notice provided in this Section is given, under the provisions of 65 ILCS 5/15-31-1, written notice to repair, demolish, enclose or remove shall be given by mail more than fifteen (15) days prior to the commencement of such court action to the owner or owners thereof, including the lien holders of record. Where, upon diligent search, the identity or whereabouts of the owner or owners of any such building, including the lien holders of record is not ascertainable, notice mailed to the person or persons in whose name such real estate was last assessed is sufficient notice under this Section.

Sec. 7.807 Court Proceedings and Rights Under Statute:

(a) Where the notice has been given as provided in Sections 7.805 and 7.806 of this Article, the Village shall have all rights to proceed for court order for the demolition or repair or enclosure of any dangerous and unsafe building or uncompleted building or abandoned building or the removal of garbage, debris, or other hazardous, noxious or unhealthy substances or materials within the territory of this municipality and shall have all rights provided in 65 ILCS 5/11-31-1, including rights for lien and foreclosure, upon compliance with said Section of said statute by the Village. The Village shall be entitled to recover all its' costs and expenses as provided in 65 ILCS 5/11-31-1.

(b) If notice has been given as provided in Section 7.805 of this article, the Village shall have all rights to proceed for a court order to have the property declared abandoned as defined in Sec. 1(e) of this Article. If a court determination is made on a default basis that the property has been abandoned, then notice shall be sent by certified mail to all persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois Land Trust having title to the property, stating that the title to the property will be transferred to the Village unless, within 30 days after the notice, the owner of record enters an appearance in the action, or unless any other person having interest in the property files with the Court a request to demolish the dangerous or unsafe building or to put the building in safe condition. If such action occurs, then the court shall vacate its order declaring

the property abandoned and allow the Village to amend its complaint. If a request to demolish or repair is filed within the thirty (30) day period (following default), the Court shall grant permission to the owner of record and/or requesting party to demolish the building within thirty (30) days or restore the building to a safe condition within 60 days. An extension of such period for up to 60 additional days may be given for good cause. If more than one person with an interest in the property files a timely request, preference shall be given to the person with the lien or other interest of highest priority. If a requesting party (not the owner of record) pursuant to request demolishes the building or puts it in a safe condition within the time granted by the Court then the Court shall grant the requesting party a quitclaim judicial deed upon payment of the Village's court costs, attorney fees, administration fees and any other costs. The quitclaim judicial deed to the requesting part shall only convey the interest of the owner of record and shall be subject to all liens, encumbrances and rights of redemption, if any. If no person with an interest in the property files a timely request or if a requesting party fails to demolish the building or put it in a safe condition within the time specified by the Court, the Village may petition the Court to issue a judicial deed for the property to the Village. Such conveyance by judicial deed to the Village shall operate to extinguish all existing ownership interest in, liens on and other interests in such property including tax liens.

Sec. 7.808 Persons Authorized or Directed to Give Notice: Any of the following officers or agents of this Village, upon having reasonable grounds for believing that any building is a dangerous and unsafe building, an uncompleted and abandoned building, or an unfit building or an abandoned property pursuant to Section 7.808 (b) of this Article and on behalf of this Village with authority obtained first from the President and Village Council, is authorized to give any notice provided for in Section 7.706 of this Article and is further authorized, if such person has reasonable grounds to believe that there has been a violation of Sections 7.802, 7.803 or 7.804 of this Article, to sign and file complaints for fines or penalties for violations of Section 7.804, 7.805 or 7.806 of this Article: (a) the Village President, (b) the Village Attorney, (c) the Zoning Officer, (d) the Chief of Police, (e) any police officer, (f) the Village Clerk, (g) the Superintendent of Streets and Water, (h) the Director of Emergency Services and Disaster Operations. Sec. 7.810 Penalties: Any person, partnership, corporation, or other legal entity violating any of the provisions of Section 7.804, Section 7.805 or Section 7.806 of this Article shall be fined not less than Seventy Five Dollars (\$75.00) nor more than Five Hundred Dollars (\$500.00) for each offense. However, there shall be no fine imposed under Section 7.805 of this Article as long as the owner is proceeding to repair or demolish fully in accordance with Section 7.806 of this Ordinance. That a complaint is filed against any person seeking a fine or penalty, or that any fine or penalty is imposed, shall not in any way prevent this Village from proceeding, or waiving any right of this Village to proceed, under 65 ILCS 5/11-31-1.

Sec. 7.811 Substitute Service: In lieu of certified mail or registered mail, the Village may have a notice required by this ordinance personally served by a sheriff, Village police officer or licensed private investigator.
