MUNICIPAL RECORDS DIRECTORY & FREEDOM OF INFORMATION ACT REQUEST INFORMATION

This order sets forth procedures to ensure that citizen requests for access to public records of the Village of Deer Creek, Illinois, will be processed with the timeliness and cooperative spirit envisioned by the Illinois Freedom of Information Act (FOIA) Illinois Compiled Statutes, 5 ILCS 140/1).

Any person requesting records of the Village of Deer Creek may make such a request in writing. Such request should be made to Lori Lewis, FOIA Officer, at 101 W. First Street. Another method would be by mailing, faxing or emailing a written request to the FOIA Officer specifying in particular the records requested to be disclosed and copied. All written requests should be addressed to the FOIA Officer at the address of the Clerk's office. If you desire that any records be certified, you must indicate that in your request and specify which records must be certified.

COPYING COSTS AND FEES:

1. Copy charge: 15 cents per copy (per side), unless otherwise posted. No fees may be charged for the first 50 pages of black and white, letter or legalized copies. For color copies or copies in a size other than letter or legal, the Village shall charge its actual cost for reproducing the record. The actual cost shall not include the costs of any search for and review of the records or other personnel costs associated with reproducing the records.
2. Charge for booklets and other specially produced items printed in-house shall include all material costs (i.e. cover, binders, etc.) – but in no case can any labor costs of Village employees be included in the charge.
3. Charge per item for booklets and other specially produced materials printed by a commercial firm shall be determined by dividing the actual charge to the Village from the printer by the number of copies printed.
4. Cost for certifying public records shall be \$1 for each certification attached to the record or records.
5. The cost of furnishing a copy of microfilm, photographic prints or negatives, EDP tape, computer diskettes, audio recording tape, movie film, video tape of film cassettes, etc., shall be the actual cost of materials, any commercial contractual charges incurred (per copy),– in no case can any labor costs of Village employees be included in the charge.

Furnishing Copies: If it appears that the cost for copying the requested records will exceed \$5, the requester should be advised of the approximate cost before the copies are made. The requester can ask for a waiver of fee or a reduced fee for copying charges. The Village of Deer Creek Request for Waiver of Fee or Reduced Charge form is included in the Village's FOIA directory. According to the Illinois FOIA, a request for waiver/reduction will be granted only if:

- a. the person requesting the documents states the specific purpose for the requests, and
- b. indicates that a waiver or reduction of the fee is in the public interest. The Illinois FOIA defines waiver for public interest as such: "waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit. In setting the waiver or reduction, the Village may take into account the amount of materials requested and the cost of copying them.

FOIA Required File of Denial and/or Time Extension Records: As required by the FOIA, the Village Clerk shall maintain the file of all denials of records and letters extending response time

within the Village Deer Creek, Illinois. Any subsequent letter or written record of an action which modifies or changes a denial previously made shall be copied to the Village Clerk so that the Clerk's file can be kept accurate.

Written Request: Receipt by the Village of a written request for access to public records invokes the provisions of the FOIA and starts the time running for the required response time as mandated in the Illinois FOIA. Therefore, all written requests shall be signed by the individual making the request and be dated, timed, and signed by the person receiving the written request.

Timeliness of Response to Request for Records: The Illinois FOIA requires that any copy of public records requested by a citizen must be furnished within five business days. In addition, the FOIA provides seven reasons for which the reply time may be extended for an additional five business days. The person placing the request for information must be notified in writing within the first five days if the Village is extending the response time an additional five days. In addition, a copy of the extension notification must be filed with the Village Clerk. Any employee receiving a written request for access to public records shall immediately forward such request to the FOIA Officer.

The request should be granted immediately and the record produced at that time if:

- 1) A citizen merely desires to see and read and/or make a handwritten copy of the record;
- 2) The FOIA officer determines that the requested record contains no information to which access could be questioned and possibly denied under the FOIA; and
- 3) Proper supervision of the person and record can be conveniently maintained without unduly disrupting the necessary work of the department at that time.

If prompt access would obstruct or hinder work of the department at that time, the request for record(s) should be accepted and the information provided at a subsequent date within the time frame outlined in the FOIA.

The following documents are available for immediate disclosure without further written request or waiting:

- Approved Regular Village Board minutes
- Ordinances
- Resolutions

Denial of Access to Records: A denial shall only be rendered by the FOIA officer after consultation with the Village Attorney. The legal opinion shall prevail. All denials shall be made in writing within five working days after receipt of the request (or within ten business days after receipt of the request if the Village has taken appropriate action to seek an extension). Per the Illinois FOIA, the denial must be in writing and must include:

- a. the reason for the denial;
- b. the names and titles or positions of each person responsible for the denial;
- c. reference by section number and letter to the specific section of the FOIA used to authorize the denial; and
- d. a sentence informing the requester of their right to appeal the decision in writing to the Public Access Counselor or initiating an action for judicial review in the 10th Judicial Circuit Court of Tazewell County.

Whenever possible, the department making the denial should use the Village's Denial of Request for Record form which is included in each Village of Deer Creek FOIA directory. Additional copies of the form are also available from the Village Clerk's Office.

For the Village of Deer Creek, the "head of the public body" is the Village President.

PROMINENT PUBLIC DISPLAY: The Village of Deer Creek FOIA publication shall be displayed in a suitable manner in the public reception area of the Village Hall.

Copies of the Village's FOIA publication are available from the Village Clerk.
