Opportunity Employer*

**Annual Drinking Water Quality Report**

Each year, the Village is required to generate a Consumer Confidence Report detailing the water quality and treatment techniques. This report contains important information about the source and quality of your drinking water during 2015. If you would like a paper copy mailed to your home, please call (309) 447-6749.

Please go to

[www.deercreekillinois.org/annual-drinking-water-report.html](http://www.deercreekillinois.org/annual-drinking-water-report.html)

to view your annual water quality report.

**Safe Digging is NO Accident**

The construction and landscaping season is here. Before you dig you will need to call JULIE to locate underground utility lines and ensure that they are not accidentally cut. It's a **FREE** service so there's no need to take a chance. You can reach **JULIE** by calling **811** or **1-800-892-0123** or by going online at [www.illinois1call.com](http://www.illinois1call.com) and enter your own locate request. Common examples of projects that require contacting **JULIE** include putting up a fence; installing a swing set; a mail box post; or water feature such as a pool, pond or fountain; building a deck; preparing a new garden or landscape area; or planting trees, bushes or shrubs. Be sure to make your locate request at least **2 working** days before digging.

### Labels for Education Program Coming to an End

The Deer Creek Library has been a collection point for the Labels for Education program for many years. Due to a decline in participation, Campbell's has come to the very difficult decision to wind down the LFE program. The library will no longer take the labels as of mid-May. For additional information regarding this program:

[www.labelsforeducation.com/About-the-Program/FAQs](http://www.labelsforeducation.com/About-the-Program/FAQs)

### Do You Have A Golf Cart?

Summer is here and with the warm weather we will see an increase in the use of golf carts on the village streets. Here are a few things to remember when operating your golf cart in the Village of Deer Creek:

\*Register the golf cart prior to operation of the vehicle on Village streets. Proof of liability insurance should be presented when the vehicle is registered with the Deer Creek Police Department.

\*Golf carts may not be operated on any street designated a truck route but may cross a truck route and may not travel a speed in excess of 25 miles per hour. Operators driving the golf cart under the influence of alcohol may result in being prosecuted for driving while under the influence of alcohol as provided by Illinois law.

\*Golf cart operator must possess a valid driver's license.

\*Any golf carts that are operated on the Village streets must, at a minimum, have the following: brakes, a steering apparatus, tires, a rearview mirror, red reflectorized warning devices in the front and rear, a slow moving vehicle emblem on the rear of the golf cart, a headlight that emits a white light visible from at least 100 feet from the rear, brake lights, and turn signals.

\*If you need to register your golf cart you may do so at the Deer Creek Police Department, 106 E. First Ave, Deer Creek, or for further questions please call 309-447-6265.

### Dumpster Days

The Village of Deer Creek will have an area set up at the parking area by the old water tower for a dumpster and recyclables from June 20-27. If you have junk to dispose of after your garage sale (or even if you didn't have a sale!), please bring it up and put it in the dumpsters for disposal.

Questions? Call the village office at 309.447.6749

in Central Illinois

### Want to know more about the Triangle of Opportunity?

The Mission of the Triangle of Opportunity is to increase and support the economic base of the area, regional educational opportunities, and leadership experiences for Triangle citizens through dynamic, mutually supportive interaction in order to ultimately enhance the quality of life in the Triangle Area.

In 1993 a group of farsighted individuals decided there was a need for some of the small communities to form an organization to promote common goals. As a result of this need the "Triangle of Opportunity" was formed. The purpose of the "Triangle" is to improve the quality of life for the residents in the area bound (and adjacent) to interstates 74, 55, and 155. For more information visit our website at:

[www.triangleofopportunity.com](http://www.triangleofopportunity.com)

## FYI...

A reminder that the fire hydrants are flushed on the first Wednesday of the month, weather permitting. This will temporarily cause discoloration of your water. It is a good idea to regularly flush your hot water heaters to help reduce the mineral buildup in the bottom of your tank.

...to all the 2016  
Dee-Mack High School  
graduates and Best  
Wishes for your future.

### A Friendly Reminder...

Now that the nice weather has returned and our neighbors are opening up their windows and spending more time outside, we should be more mindful of:

- ~Burning yard waste
- ~Children on bicycles
- ~Golf carts
- ~Your barking dogs
